

LIMPAR

/// QUALITY MADE IN GERMANY ///

/// LIMPAR SP92/SP94 ///

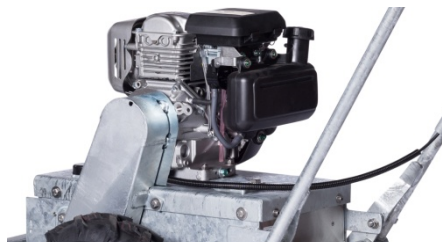

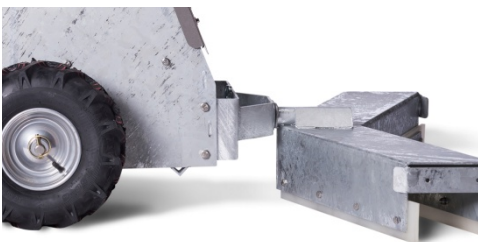

DETAILS

- Working width 90 cm
- Removable V-Scraper
- Galvanized housing
- Rust and acid resistant
- 360° Wheel Drive
- Electric or combustion engine
- Charger and battery included

These special slat scrapers daily ensure the necessary hygiene in your barn. With its double soft bars the work is executed with particular thoroughness. The first lip presses the manure into the gaps and the 2nd lip removes any remaining residues.

The balanced weight distribution in conjunction with the 360° freewheel mechanism, enables turning on the spot. The housing parts are all hot-dip galvanized or are made of stainless steel; propulsion is provided by robust and powerful motors.
